Receiving support makes a difference

After receiving support and/or information from someone with Family Voices MN families said they felt more confident in the following areas:

- Getting needed information
- Caring for their family, and
- Caring for their child.

100%

Of parents receiving services would recommend Family Voices Parent to Parent program to other families.

Parent Testimonials

"I really thought we were alone in navigating all this prior to finding Family Voices.. Now I look forward to the support group and love knowing I can text or call my parent match at any time. It's a precious gift to know that we aren't alone and we have options!"

"Not only is the validation of not being alone in this PRICELESS, but I was connected to resources I didn't know existed. I feel empowered to advocate for my children better, because I have access to resources that help eliminate barriers to care."
