

# 2021- 2022 IMPACT REPORT

## FAMILIES HELPING FAMILIES IN MN

When a family raising a child with disabilities and extra needs contacts Family Voices of MN they receive:

- Emotional support, understanding and acceptance so they do not feel alone
- Information and assistance to help get needed services and supports, such as: financial, health care and educational
- Encouragement and education to speak up for their child.

## CONNECTED PARENTS SAY

*"Just having someone to talk to who understands was really helpful."*

*"Pointed me in the right direction."*

*"Helped with referrals and emotional support."*

*"She empowered me to see the amazing job I was doing already by listening and guiding ever so slightly so I could support my son through a really difficult crisis."*

*"It was nice to talk with someone."*
